# Wonders App

The screenshot shows the Wonders app interface. At the top left is the 'Wonders' logo. To its right are navigation links: 'My Binder', 'Collaborate', 'Resources', and 'School to Home'. Further right are icons for a document and 'ABC'. A search bar is located on the far right. The main content area features a central illustration of a smiling squirrel in a red circular frame. Surrounding this are six circular icons: a clipboard with a checkmark, a pie chart, a book, a game controller, a notepad with a pencil, and a cube with 'W' on its faces. Each icon is accompanied by a text box: 'Adaptive Learning' (with the pie chart), 'This week's stories' (with the book), 'Games and Activities to Practice Skills' (with the game controller), 'Vocabulary for the week' (with the cube), and 'This week's stories' (with the notepad).

Games and Activities to Practice Skills

# How can I support at home?

- Read to your child, ask them questions about what you are reading and have your child read to you
- Support homework
- Communicate with your child's teacher
- Play games to practice turn taking, winning & losing, as well as to support math and reading skills

# Games to try...

You could go home with one of these games tonight! Be sure to fill out your feedback form to get your "Family Game Giveaway" ticket. Names will be drawn at approximately 6:25 before the PTO meeting.
