

Professional Development Report

August 2025 - Report #2

This report includes completed and scheduled professional development at the district level, department level and school site level. It covers the timeframe from August 2025 moving forward to any scheduled and approved professional development sessions that are planned. Similar reports will be created and shared with the school board throughout the 2025-26 school year.

This report provides basic information regarding staff professional development including the date, time, location, title of the session and alignment with district priorities, legal or licensure requirements. A “required or optional” column refers to sessions that employees are required to attend by the district and the optional column indicates employees have the option to attend.
