

Career Cluster Presentation

Students are required to choose and coordinate with other members of their cluster a career field. They will present a 3 minute/minimum presentation to the class. This can be done in any program you choose but will be done at the front of the class using the projector. Include an image on each page if possible. This presentation can include but is not limited to examples such as:

Cluster

Your name

Why you chose this particular field in the cluster

Field within

Locations for employment geographically

Companies which hire, examples found in job search websites

Duties of an employee in that field

Workplace climate

Education required

Training

Current and projected Employment

Job Salary by locations

Work cited

(Each required field above is worth 10pts)
