

Eat Food ... Get \$... and Donate to Andover Chess

If you would be willing to do food taste testing for a food research organization (Food Perspectives, Inc.), this is a perfect fundraiser for you!!! You eat food, they pay you \$25-\$50, and Andover Chess receives a \$10 donation for each taste test you do. It is a perfect fundraiser: no cost to you, free food, free money, and a donation! Any student under the age of 18 must have their parent register on this form (and then can add themselves at the bottom of the form as a child).

Please Print Clearly

Parent First Name (unless over 18 years of age): _____
