

Can I Change My Schedule?

| | | | |
|---|---|--|--|
| I'm in a class I didn't sign up for (we will verify this) | I've failed a class I'd like to get rescheduled | I don't know anyone in this class | I've changed my mind about a class I signed up for |
| I have a class on my schedule I've already taken | I'm doing PSEO or Online and need my schedule adjusted | There is someone in my class that I don't get along with | I want a different teacher |
| I have a study hall and want a class instead | I have 2 classes the same period | I want a different lunch | I don't like this class or it just isn't for me |
| I'm missing part of a 2 or 3 tri class (I have part B and not A, etc) | I failed the prerequisite for a class I'm in | I want to change my schedule because of sports or activities | I need to change my schedule because of my job |
| I would like a level change (move to AP, different math) | I have an open period on my schedule | I'd like to take a class with my friend | I don't want STEP anymore |
| I'd like to switch one STEP class for another | I have a medical reason (with supporting documentation) | I've heard this class is too hard | |
