STEAM PROGRAM

The Center for Science, Technology, Engineering, Arts and Math (STEAM) program at Anoka High School is designed for students who want to focus on technology/computer science skills while exploring the connections between the arts, sciences, engineering and math. STEAM uses project based learning that focuses on commitment, engagement, performance, reflection and understanding; in order to guide students to lead the next generation.

ADVANCED PLACEMENT COURSES

2D Art and Design
 3D Art and Design
 Drawing
 Calculus AB
 Calculus BC
 English Language & Composition
 Human Geography
 Microeconomics
 Psychology
 Spanish Language
 Statistics
 United States History
 US Government & Politics
 World History

GRADING SCALE

| Unweighted | Weighted |
|--------------------|--------------------|
| A = 4.0 | A = 4.33 |
| A- = 3.67 | A- = 4.0 |
| B+ = 3.33 | B+ = 3.67 |
| B = 3.0 | B = 3.33 |
| B- = 2.67 | B- = 3.00 |
| C+= 2.33 | C+= 2.67 |
| C = 2.00 | C = 2.33 |
| C- = 1.67 | C- = 1.67 |
| D+= 1.33 | D+= 1.33 |
| D = 1.00 | D = 1.00 |
| D- = 0.67 | D- = 0.67 |
| F = 0.00 | F = 0.00 |
| P/NC = 0.00 | P/NC = 0.00 |

GRADING AND TRANSCRIPTS

- All course grades are calculated into a grade point average based on a 4.0 scale and are computed cumulatively on a trimester basis. Advanced classes are recognized for the purpose of graduating with honor and for computing weighted grade point average and weighted class rank.
- Weighted class rank and both unweighted and weighted GPA are published on the transcript.
- Each one-trimester, one period course = 0.5 credit.
- The following courses have special designation on the transcript: Hon: Honors; AP: Advanced Placement; PSEO: course taken on a college campus; CIS: College in the schools (University of MN credit); HHS/S2S: Huskies in the High School / Senior to Sophomore (St. Cloud State University credit)
- Minnesota Bilingual Seal: Minnesota has a system to reward students for proficiency in one or

more languages. Students will have a notation entered on their transcript to reflect proficiency in multiple languages and college credit can be earned by students in grades 10, 11, and 12. Anoka-Hennepin students may qualify, starting with the Class of 2019.

- Grades that are documented during the time period of March 16 through June 30 of 2020 reflect the distance learning period resulting from the COVID-19 pandemic. Future use of these grades for academic placement, admission, acceleration or remediation is discouraged and should only be used with caution after balancing the information against student performance in other grading periods.

GRADUATION REQUIREMENTS

To be eligible to graduate, a student must successfully complete a minimum of 27.0 credits and meet all course requirements.

| Course | Credits | Course | Credits |
|--------------------------------|---------|-----------------------------------|---------|
| English 9 - 12 | 4.0 | Intermediate Algebra | 1.0 |
| Civics/Geography | 1.0 | HS Geometry | 1.0 |
| U.S. History | 1.0 | HS Algebra II (Class of 2024+) | 1.0 |
| World History | 1.0 | Health | 0.5 |
| Economics/ US Gov't & Politics | 1.0 | Arts | 1.0 |
| Earth Science | 1.0 | Electives | 10.5 |
| Biology | 1.0 | | |
| Chemistry | 1.0 | | |
| Physical Education I & II | 1.0 | | |
