

Welcome to Statistics & Probability!

Class Expectations 2017-18

TEACHER:

Mr. Mark Kerber

Phone: 763-506-6918

E-mail: mark.kerber@ahschools.us

Text Notifications: Text @kerstats to 81010

Google Classroom Codes: Every Student- zamawr

3rd Period- sp7kjlw

5th Period- bskwtsr

MATERIALS NEEDED IN CLASS EACH DAY:

- Pencil, pen, notebook with at least 100 sheets, and folder
- Scientific Calculator (TI-84 Plus, TI-83 Plus, TI-30XS MultiView, or TI-34 MultiView)
- Textbook

ABSENCES:

- It is your responsibility to find out what assignments, notes, and/or tests you have missed
- All worksheets handed out each day will be placed in the blue bucket and posted on Google classroom
- Daily notes will be posted on Google classroom

TARDIES:

- You are expected to come to class on time
- You should be in your assigned seat when the bell rings
- If you are late to class, you will report to the appropriate house office or station in order to obtain a pass to enter class. If the bell has rung, you are late.

EXPECTATIONS:

- No cell phones heard, seen, or touched during class
- No headphones in during class
- Be respectful and responsible
- Work hard and be kind

COURSE GOALS:

- Learn to recognize that statistics are everywhere
- Design various types of studies to collect data
- Analyze data in order to form statistical conclusions
- Learn how to read and discuss data presented in the media to determine if they are supported and logical
- Understand rules of probability and counting

GRADING SCALE:

A = 93 – 100%

B = 83 – 86.9%

C = 73 – 76.9%

D = 63 – 66.9%

A- = 90 – 92.9%

B- = 80 – 82.9%

C- = 70 – 72.9%

D- = 60 – 62.9%

B+ = 87 – 89.9%

C + = 77 – 79.9%

D+ = 67 – 69.9%

F = below 60%

PRACTICE, QUIZZES, JOURNALS & CLASSWORK (0% of the trimester grade):

- Practice Grading Rubric:

Outstanding	Partial	Unacceptable
<ul style="list-style-type: none">•All practice questions have an answer with work shown•All practice questions have been graded and corrected•Any problem that is incorrect has pen marks showing where the mistake in original work occurred with correct answer or has the correct answer with work shown in pen•A score is written at the top of the paper	<ul style="list-style-type: none">•All practice questions have an answer with work shown•All practice questions have been graded•No corrections are shown in pen•A score is written at the top of the paper	<ul style="list-style-type: none">•Not all practice questions have an answer•No corrections are shown in pen•No score is written at the top of the paper

- A quiz (or quizzes) will be given assessing learning targets during each unit.
- There will be some form of quiz remediation to relearn standards.
- You may work together on daily practice; however, copying answers is not worth your time and won't show me what you need help learning.
- It is expected that you participate in classroom activities and classroom practice.
- Journals may be done via Google Classroom or Exit Tickets.

EVIDENCE OF LEARNING (90% of the trimester grade):

- Evidence of learning will be given at the end of each unit
- In order to reassess learning, some form of remediation must be completed and all mandatory practice must be done.

FINAL (10% of the trimester grade):

- This is a multiple choice cumulative test covering the entire trimester's material.

IF YOU NEED HELP:

- Ask questions in class, read and study your book and notes
- Stay caught up with the daily practice
- Check your answers online found on Google classroom
- Go to the Help Center Monday - Thursday in D247 or B230 from 2:30-5pm

I am extremely excited to work with each and every one of you, students and parents/guardians included. As long as you work hard and take advantage of your opportunities to retest, every student can be successful in Statistics and Probability. Please call or e-mail if you have any questions or concerns.

Thank you,

Mark Kerber
